SSN COLLEGE OF ENGINEERING, KALAVAKKAM, CHENNAI

UCS2201

FUNDAMENTALS AND PRACTICE OF SOFTWARE DEVELOPMENT

LEARNING EXPERIENCE

EXAM SCHEDULING SYSTEM

Team Name

V C Sharper

Team Members (CSEA)

Karthik Vijayakumar (040)

Keerthan V S (043)

Mohith A (053)

Team Guide

Dr. S. Saraswathi

Associate Professor, Department of Computer Science and Engineering

(Scored out of 3)

Technical Outcome	Result
To identify the requirements for the timetable generation system by analyzing existing systems	3
To design the system	3
To develop the system	3
To test and validate the system	2
To schedule examination without clashes	3
To allocate halls and assign invigilators without clashes	3

Best Practice	Result
Incremental Coding	3
Proper Names for Variables	3
Functions without I/O Statements	3
Maintainable Code	3
Modular Programming	3
Extendable Code	2
Function Prototyping	3
Design Before Coding	3
Self-Documented Code	3
